

## S.K.YEE MEDICAL FOUNDATION

### 余兆麒醫療基金

#### Project Grants Awarded from 1997 - 2001

Since the appointment of the Trustees, and from 1997 in December every year, advertisements have been placed in both English and Chinese newspapers inviting applications from registered institutions and associations for the support of projects which meet the objects of the Foundation. Support normally takes the form of financial grants and applications are considered by the Trustees on a case-by-case basis.

The total amount of project grants awarded to registered institutions and associations, tertiary institutions and hospitals under the purview of the Hospital Authority from 1997-2001 were:

1997	\$42,518,428.42
1998	\$29,822,752.00
1999	\$27,753,225.00
2000	\$32,786,750.50
2001	\$20,664,696.60
